Cantor Colburn LLP (“Cantor Colburn”), patent counsel to Delphi Corporation *et al.*, debtors and debtors-in-possession in the above-referenced cases (collectively “Debtors”), hereby submits the Third Interim Application of Cantor Colburn LLP For Allowance Of Compensation For Services Rendered And Reimbursement Of Expenses Pursuant To 11 U.S.C. §§ 330, 331 (the “Application”). Cantor Colburn seeks compensation for actual, reasonable and necessary services rendered in the amount of One Hundred Ninety Thousand One Hundred Forty-Nine and

50/100 Dollars (\$190,149.50) and reimbursement of actual, reasonable and necessary expenses in the amount of Forty-Seven Thousand Nine Hundred Fifty and 76/100 Dollars (\$47,950.76), for a total of Two Hundred Thirty-Eight Thousand One Hundred and 26/100 Dollars (238,100.26), for services rendered and expenses incurred during the period of June 1, 2006, through and including September 30, 2006 (the "Third Fee Period"). In support thereof, Cantor Colburn relies upon the pleadings filed to date, the exhibits annexed hereto, and states as follows.

### **I. INTRODUCTION**

1. On or about October 8, 2006 (the "Petition Date"), Delphi and certain of its U.S. subsidiaries (the "Initial Filers") filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1130, as amended (the "Bankruptcy Code") in this Court. On October 14, 2005, three additional U.S. subsidiaries of Delphi (together with the Initial Filers, collectively, the "Debtors") filed voluntary petitions in this Court for reorganization relief under the Bankruptcy Code.
2. On October 17, 2005, the Office of the United States Trustee appointed an official committee of unsecured creditors (the "Creditors' Committee"). No trustee or examiner has been appointed in the Debtors' cases.
3. As of the date of this Application, and at all times prior thereto, the Debtors operated and continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(b) and 1108 of the Bankruptcy Code. This Court entered orders directing the joint administration of the Debtor's chapter 11 cases (Dockets Nos. 28 and 404).
4. As set forth more fully below, Cantor Colburn seeks compensation for actual, reasonable and necessary services rendered during the Third Fee Period in the amount of One

Hundred Ninety Thousand One Hundred Forty-Nine and 50/100 Dollars (\$190,149.50) and reimbursement of actual, reasonable and necessary expenses in the amount of Forty-Seven Thousand Nine Hundred Fifty and 76/100 Dollars (\$47,950.76), for a total request of Two Hundred Thirty-Eight Thousand One Hundred and 26/100 Dollars (238,100.26). Cantor Colburn has expended One Thousand Two Hundred Thirty-Three and 15/100 hours (1,233.15) hours of professional time, including time expended by patent agents and technical experts, and 85/100 (0.85) hours of paraprofessional time. The blended hourly rate for professional time, excluding paraprofessionals, is One Hundred Fifty-Four and 14/100 Dollars per hour (\$154.14/hr).

5. This is Cantor Colburn's third interim fee application.

#### **IV. INFORMATION ABOUT CANTOR COLBURN AND THE APPLICATION**

- 9. On or about December 6, 2005, the Debtors applied to retain Cantor Colburn as patent counsel [Docket No. 1455], all pursuant to 11 U.S.C. §§ 327, 1107, which application was allowed by this Court by order dated January 3, 2006. A copy of the Order [Docket No. 1709] allowing Cantor Colburn’s employment is annexed hereto as “Exhibit A”.

10. More particularly, and as set forth in the Debtor's application to employ, Cantor Colburn was retained as patent counsel to the Debtors in order to:
  - a. Prepare patent applications in various fields relating to the Debtors' business operations for filing in the United States Patent and Trademark Office, including without limitation applications directed to devices, components, processes and systems relating to inflatable restraints, inflatable cushions, occupant restraints, safety restraints, exhaust treatment, sensors, catalysts, solid oxide fuel cells, fuel control systems and steering systems;
  - b. Respond to office actions and otherwise prosecuting patent applications before the United States Patent and Trademark Office in the foregoing fields and as otherwise requested by Debtors;
  - c. Render patentability, infringement, and clearance opinions in the foregoing fields and as otherwise requested by Debtors;
  - d. Draft and negotiate intellectual property acquisitions, transfers or licenses relating to the Debtors' business operations in the foregoing fields and as otherwise requested by the Debtors;
  - e. Represent the Debtors in actual and contemplated intellectual property and related litigation; and
  - f. Perform such other patent and intellectual property related legal services as the Debtors may from time to time request.
11. As set forth more fully in the Debtor's application to employ Cantor Colburn:
  - a. Cantor Colburn will be compensated at its usual and customary hourly rates, which range from \$150 to \$385 per hour, for work performed on Debtors' behalf;

- b. Unless otherwise agreed to by the Debtors and Cantor Colburn, the professional service fees charged by Cantor Colburn for preparing a patent application for filing before the United States Patent and Trademark Office will be capped at Five Thousand and 00/100 Dollars (\$5,000.00);
  - c. Unless otherwise agreed to by the Debtors and Cantor Colburn, the professional service fees charged by Cantor Colburn for preparing a response to an office action from the United States Patent and Trademark Office will be capped at One Thousand Six Hundred Fifty and 00/100 Dollars (\$1,650.00);
  - d. When the Debtors and Cantor Colburn agree that work to be performed is beyond the scope of a typical patent application or response to an office action, Cantor Colburn's professional service fee will not be subject to the aforementioned caps; and
  - e. For matters other than the preparation of patent applications and responses to office actions, Cantor Colburn will earn its fees on an hourly basis.
12. In addition, and as set forth more fully in the Debtor's application to employ Cantor Colburn, the Debtors will pay Cantor Colburn for expenses incurred representing the Debtors. These expenses are in addition to Cantor Colburn's professional service fees, and are not subject to the professional service fee caps described above. By way of example, but not limitation, expenses include government fees, filing fees, drawing fees, messengers, facsimiles, computerized research, word processing, printing and photocopying, travel, transcripts, parking, filing fees, telephone toll charges, secretarial overtime (when attributable to the Debtors' special needs), notary charges, experts and other consultants retained on the Debtors' behalf, and other similar costs and expenses.

13. Cantor Colburn had rendered services to the Debtors prior to the Petition Date. Cantor Colburn commenced rendering services to the Debtors' under the Interim Compensation Order effective as of the Petition Date.
14. The Debtors did not pay, and Cantor Colburn has not received, any retainer as part of the Debtors' retention of Cantor Colburn.
15. Cantor Colburn seeks compensation for professional services rendered during the Third Fee Period in the amount of One Hundred Ninety Thousand One Hundred Forty-Nine and 50/100 Dollars (\$190,149.50).
16. Cantor Colburn seeks reimbursement of actual, reasonable and necessary expenses incurred during the Third Fee Period in the amount of Forty-Seven Thousand Nine Hundred Fifty and 76/100 Dollars (\$47,950.76).
17. Thus, the total amount requested by Cantor Colburn for services rendered and expenses incurred during the Third Fee Period is Two Hundred Thirty-Eight Thousand One Hundred and 26/100 Dollars (\$238,100.26).
18. The Debtors are the source of the compensation and reimbursement requested herein.
19. The compensation sought by Cantor Colburn is based on the customary compensation charged by comparably skilled practitioners in cases other than cases under title 11.
20. Cantor Colburn does not differentiate between clients operating under the provisions of the United States Bankruptcy Code, and those that are not. The rates charged to the Debtors are the same as the rates charged to non-bankruptcy clients. Moreover, due to the fee caps described above, the rates charged to the Debtors may, in certain instances, be less than the rates charged to other clients, whether in bankruptcy or not.
21. Prior to the filing of the instant Application, and in accordance with the terms of the

Interim Compensation Order, Cantor Colburn served monthly statements via overnight delivery upon (i) Delphi Corporation, 5725 Delphi Drive, Troy, Michigan 48098, Att'n: General Counsel, (ii) Skadden, Arps, Slate, Meagher & Flom LLP, 333 West Wacker Drive, Suite 2100, Chicago, Illinois 60606, Att'n: John Wm. Butler, Jr., Esq., (iii) the Office of the United States Trustee for the Southern District of New York, 33 Whitehall Street, Suite 2100, New York, New York 10004, Att'n: Alicia M. Leonhard, Esq. (the "U.S. Trustee"), (iv) counsel for the official committee of unsecured creditors, Latham & Watkins LLP, 885 Third Avenue, New York, New York, 10022-4802 (Att'n: Robert J. Rosenberg, Esq.), (v) counsel for the agent under the Debtors' prepetition credit facility, Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, New York, 10017 (Att'n: Marissa Wesley, Esq.), and (vi) counsel for the agent under the Debtors' postpetition credit facility, Davis Polk & Wardell, 450 Lexington Avenue, New York, New York, 10017 (Att'n: Marlane Melican, Esq.).

22. In addition, Cantor Colburn has previously submitted its First Fee Application and its Second Fee Application to Legal Cost Control, the Debtor's Fee Examiner. Cantor Colburn will submit this Third Fee Application to Legal Cost Control.
23. Under the terms of the Interim Compensation Order, if the parties served with Cantor Colburn's monthly statements do not object, then Cantor Colburn may be paid eighty percent (80%) of the professional fees, and one hundred percent (100%) of the expenses, identified on each monthly statement.
24. In addition, this Court has previously allowed the Debtors to pay one-half of the holdback during the First and Second Fee Periods. As a result, Cantor Colburn has been paid ninety percent (90%) of the requested professional fees, and one hundred percent (100%)

of the expenses, identified on each month statement during the First and Second Fee Periods.

25. As of the date of the instant Application, Cantor Colburn has not received any objections to the aforementioned monthly statements, including without limitation the monthly statements for the Third Fee Period, and the Debtors have approved the monthly statements, including without limitation the monthly statements for the Third Fee Period.
26. In accordance with the terms of the Interim Compensation Order, as modified in the manner described above, as of the date of the instant Application, Cantor Colburn has been paid Two Hundred Fifty-Three Thousand Six Hundred Twenty-One and 35/100 Dollars (\$253,621.35), representing ninety percent (90%) of the professional fees (\$281,801.50) and Fifty-Five Thousand, Five Hundred and 99/100 Dollars (\$55,500.99), representing one hundred percent (100%) of the expenses incurred during the First Fee Period. Cantor Colburn's first fee application is currently pending before this Court.
27. In addition, and in accordance with the terms of the Interim Compensation Order, as of the date of the instant Application, Cantor Colburn has been paid Two Hundred Thirty-One Thousand Three Hundred Seventy-Seven and 40/100 Dollars (\$231,377.40), representing ninety percent (90%) of the professional fees (\$257,086.00) and Fifty Three Thousand Seven Hundred Twenty-Five and 11/100 Dollars (53,725.11), representing one hundred percent (100%) of the expenses incurred during the Second Fee Period. Cantor Colburn's second fee application is pending before the Court.
28. Finally, in accordance with the terms of the Interim Compensation Order, Cantor Colburn has been paid One Hundred Fifty-Three Thousand Four Hundred Thirty-Nine and 60/100 Dollars (\$153,439.60), representing eighty percent (80%) of the professional fees

requested (\$191,799.50) prior to issuance of the credit described in paragraph 29 (\$1,650.00), and Forty-Eight Thousand Seven Hundred Forty and 76/100 (\$48,740.76), representing one hundred percent of the expenses incurred during the Third Fee Period prior to the issuance of the credit described in paragraph 29 (\$790.00)

29. Cantor Colburn has issued a credit to the Debtors in the amount of Two Thousand Four Hundred Forty and 00/100 Dollars (\$2,440.00). One Thousand Six Hundred Fifty (\$1,650.00) of the credit will be applied against professional fees, and Seven Hundred Ninety and 00/100 Dollars will be credited against expenses. The professional fees and expenses were incurred drafting and filing a Request for Continuing Examination ("RCE") in a patent prosecution matter that Delphi ultimately elected not to pursue.
30. Under the terms of the Interim Compensation Order, upon allowance of the instant Application, the Debtors may pay Cantor Colburn Thirty-Eight Thousand Twenty-Nine and 90/100 Dollars (\$38,029.00), representing the twenty percent (20%) holdback on professional fees during the Third Fee Period.
31. Cantor Colburn is aware of the Delphi Committee's request, submitted in the Report Of The Delphi Joint Fee Review Committee Regarding Applications For Award Of Compensation And Reimbursement Of Expenses For The Periods From October 8, 2005, Through January 31, 2006 And February 1 Through May 31, 2006, And Request That The Court Resolve Disputes With Respect To Fee Committee Statements [Docket No. 5559], and the Supplemental Report Of The Delphi Joint Fee Review Committee Regarding Applications For Award Of Compensation And Reimbursement Of Expenses For The Periods From October 8, 2005, Through January 31, 2006 And February 1 Through May 31, 2006, And Request That The Court Resolve Disputes With Respect To

Fee Committee Statements [Docket No. 5887], in which the Fee Committee requests that the Debtors' be permitted to retain the holdbacks until the conclusion of the cases.

32. The holdbacks represent professional fees incurred by Cantor Colburn and the other professionals in this case. The holdbacks balance the needs of the Debtor and the professionals by providing vehicle by which the Debtors may easily and efficiently avoid paying fees that are not allowed following a hearing on the professionals' fee applications, while allowing the professionals to be paid at least a portion of the fees that they incur during the Debtors' reorganization. However, once this Court allows a fee application, there is no further need for the Debtors to retain the holdback.
33. Essentially, the Debtors' retention of the holdback forces Cantor Colburn and the other professionals to finance the Debtors' ongoing operations by allowing the Debtors' to retain monies owed to the professionals following this Court's approval for the Debtors' own use.
34. Based on the foregoing, Cantor Colburn avers that it should not be required to wait until the conclusion of the cases to receive payment of the holdback. Accordingly, Cantor Colburn respectfully requests that this Court allow immediate payment of the holdback upon allowance of the instant fee application, and disallow any request by the Debtors or the Fee Committee to retain the holdbacks until the conclusion of the cases.

#### V. CASE STATUS

35. Upon information and belief, and based upon information that Cantor Colburn can reasonably ascertain, as of the date of the instant Application, the Debtors have not filed a plan and disclosure statement. Cantor Colburn cannot reasonably ascertain when a plan and disclosure statement will be filed, whether all quarterly fees have been paid to the

United States Trustee, whether all monthly operating reports have been filed, the amount of cash on hand or on deposit, or the amount and nature of accrued unpaid administrative expenses, the amount of unencumbered funds in the estate.

**VI. SUMMARY SHEET**

36. Annexed hereto as "Exhibit B" is a summary sheet providing the:
- a. Total compensation and expenses requested and any amount(s) previously requested;
  - b. Total compensation and expenses previously awarded by the Court;
  - c. Name and applicable billing rate for each person who billed time during the Third Fee Period, the date of bar admission for each attorney and, in the case of patent agents, the date of the agent's admission to the patent bar;
  - d. Total hours billed and total amount of billing for each person who billed during the Third Fee Period; and
  - e. Computation of blended hourly rate for persons who billed time during the Third Fee Period, excluding paralegal or other paraprofessional time.

**VII. PROJECT BILLING RECORDS AND PROJECT CODES**

37. The Fee Committee has established certain Project Codes and Categories, and requested that all professionals categorize their activities according to the Project Codes and Categories.
38. Accordingly, annexed hereto as Exhibit C is a summary of the time and service entries arranged by Project Code and Categories, setting forth the project number, total hours billed to the project, total fees requested for the project, expenses incurred performing the project and the total compensation.

39. As set forth on Exhibit C, during the Third Fee Period, Cantor Colburn performed services and incurred expenses of Three Thousand Two Hundred Ninety and 90/100 Dollars (\$3,290.90) in Category 7 (Fee/Employment Applications), comprising professional fees of Two Thousand Eight Hundred Five and 00/100 Dollars (\$2,805.00) and expenses of Four Hundred Eighty-Five and 90/100 Dollars (\$485.90). The net balance of fees and expenses during the Third Fee Period, Two Hundred Thirty-Four Thousand Eight Hundred Nine and 36/100 Dollars (234,809.36) comprising professional fees of One Hundred Eight-Seven Thousand Three Hundred Forty-Four and 50/100 Dollars (\$187,344.50) and expenses of Forty-Seven Thousand Four Hundred Sixty-Four and 86/100 Dollars (\$47,464.86), relate to the Debtors' business operations, and as such are categorized under Category 3 (Business Operations).
40. Annexed hereto as Exhibit D are the detailed billing records for the projects identified on Exhibit C. The detailed billing records represent professionals', paraprofessionals' and technical experts' contemporaneous billing records for the services performed.

#### **VIII. VOLUNTARY REDUCTION OF FEES**

41. Section E of the Local Guidelines requires an applicant submitting a fee application to disclose whether the applicant is not requesting all of the fees or disbursements for which it might be entitled based on the applicable hourly rates multiplied by the hours expended or based on the court order authorizing retention.
42. As set forth more fully above, Cantor Colburn has agreed to cap its professional fees in certain matters, which is reflected in this Court's order authorizing Cantor Colburn's employment.

43. The voluntary reductions for each project in which a reduction occurred are identified in Exhibit D. The total reduction for the First Fee Period, representing the total of all reductions identified on Exhibit D, is One Hundred Three Thousand Two Hundred Eight-Nine and 50/100 Dollars (\$103,289.50), and is identified on Exhibit B.

**IX. REQUEST FOR REDACTION OF PRIVILEGED OR CONFIDENTIAL INFORMATION**

44. Section C of the Local Guidelines provides that [i]f there is a need to omit any information or description of services as privileged or confidential, the applicant may make such a request of the court; provided, however, that if such a request is granted, the court may request that it be furnished with a set of unredacted time records for *in camera* inspection.
45. Cantor Colburn respectfully requests that it be permitted to redact privileged or confidential information from the detailed billing records annexed hereto as Exhibit D. By way of example, certain time records disclose the title of an invention that discloses sufficiently detailed information for a competitor to identify the nature of the invention. In other cases, particularly cases involving non-infringement or patentability opinions, the patent being analyzed is identified. In still other cases, particular prior art references considered during prosecution of a patent are disclosed.
46. The foregoing information comprises Debtors' privileged or confidential information.
47. In order to avoid disclosing information that is privileged or confidential contained in the detailed billing records annexed hereto as Exhibit D, Cantor Colburn redacted certain time records to remove such privileged or confidential information, in accordance with Section C of the Local Guidelines.

48. Cantor Colburn will provide a copy of unredacted detailed billing records for *in camera* inspection by the Court upon request, all as set forth in Section C of the Local Guidelines.

**X. TIMEKEEPERS BILLING LESS THAN TEN HOURS DURING  
THE THIRD FEE PERIOD**

49. The Fee Committee Guidelines provide that "Timekeepers billing ten (10.00) hours or less during the compensation period should be deducted from fees unless explained satisfactorily by the firm. The contribution of these timekeepers is usually negligible."
50. Ten timekeepers identified in Exhibit B billed less than ten (10) hours during the Third Fee Period. However, these timekeepers' activities are not negligible and should be compensated because:
- a. The timekeepers were performing tasks relating to cases upon which the particular timekeeper had previously worked (including work performed pre-petition) and were therefore familiar, thereby allowing the timekeeper who was most familiar with a particular matter to handle the tasks performed during the Third Fee Period more efficiently than another timekeeper;
  - b. The timekeepers were performing specific tasks relating to their particular responsibilities within Cantor Colburn, and which the particular timekeeper performs more efficiently than other timekeepers;
  - c. The timekeepers were performing discrete tasks relating to their particular area of expertise; and
  - d. The timekeepers' contributions to the particular matter upon which they were working were not negligible.
51. The total compensation requested for timekeepers billing less than ten (10) hours during the Third Fee Period is no greater than Two Thousand Nine Hundred Forty-Nine and

00/100 Dollars (\$2,949.00). If another timekeeper had performed these tasks, Cantor Colburn avers that the fees incurred would likely have been higher than those requested in this Application.

52. Cantor Colburn further avers that it has satisfactorily explained the reasons that certain timekeepers billed less than ten (10) hours during the Third Fee Period, that it has complied with the Fee Committee Guidelines, and that it should be compensated for these timekeepers' activities.

**XI. REIMBURSEMENT OF ACTUAL, REASONABLE AND NECESSARY EXPENSES**

53. Cantor Colburn seeks reimbursement for of actual, reasonable and necessary expenses in the amount of Forty-Seven Thousand Nine Hundred Fifty and 76/100 Dollars (\$47,950.76).
54. The expenses for which Cantor Colburn seeks reimbursement are summarized on Exhibits B and C, and further described, on a project-by-project basis, on Exhibit D.
55. Cantor Colburn avers that the expenses are reasonable and economical. The expenses are customarily charged to Cantor Colburn's non-bankruptcy clients.
56. The expenses incurred by Cantor Colburn that are attributable to charges from third parties are limited to the actual amounts billed to, or paid by, Cantor Colburn on behalf of the Debtors.
57. The expenses incurred by Cantor Colburn in-house reflect the actual cost of such expenses to Cantor Colburn. With regard to charges for photocopies and facsimiles, the charges are no more than the rates allowed under Sections F(1) and F(2) of the Local Guidelines. More particularly, Cantor Colburn charges \$0.10 per page for photocopies.

## **XII. CERTIFICATION**

58. The undersigned attorney has been designated by Cantor Colburn with responsibility in the Debtors' cases for ensuring that the instant Application is compliance with the Interim Compensation Order, the Local Guidelines, the Federal Rules of Bankruptcy Procedure, the United States Bankruptcy Code and the UST Guidelines.
59. The undersigned attorney has read the application.
60. To the best of the undersigned attorney's knowledge, information and belief, formed after reasonable inquiry, the fees and disbursements sought herein fall within the Local Guidelines and the UST Guidelines.
61. Except to the extent that fees or disbursements are prohibited by the Local Guidelines or the UST Guidelines, the fees and disbursements sought are billed at rates and in accordance with practices customarily employed by Cantor Colburn and generally accepted by Cantor Colburn's clients.
62. In providing reimbursable services, Cantor Colburn does not make a profit on that service, whether the service is performed in-house or through a third party.
63. Cantor Colburn has provided the Debtors, together with the chair of each official committee and the individuals identified in the Interim Compensation Order, a statement of fees and disbursements accruing during each month, no more than twenty (20) days after the end of each month.

## **XIII. PROPOSED ORDER**
